

## PRODUCT DATASHEET

Product Name	AeroWash	
Manufacturer	Frasers Aerospace	
Part Number	FA02 – 5 Litre bottle FA03 – 20 Litre bottle	
Available Pack Sizes	5, 20 Litre	
Qualifications	Boeing D6-17487 Revision T, Airbus AIMS09-00-002	

## DESCRIPTION

AeroWash is a concentrated preparation for removing grease, oil, dirt and hydrocarbon based material from Aircraft surfaces. The product has been formulated to cut quickly through the toughest dirt, oil and hydrocarbons on account of the wetting, penetrating, soil cutting and anti-redepositing properties of the surfactant system.

## FEATURES

The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation (EC) 648/2004 on detergents.

- Easily removes heavy oil and dirt deposits.
- Easy bug splatter removal.
- Effective removal of de-icing stains.

## DIRECTIONS FOR USE

1. Dilute product appropriately, see below.
2. Spray on paying particular attention to stubborn areas and allow time to clean. Agitate if possible.
3. Wipe off with a clean towel.

Can be used as a foam cleaner with suitable foam generation equipment.

### Dilution Rates – Drywash / Wetwash

Main fuselage and above wings – 20 parts water : 1 part AeroWash.  
Under belly, under wings, landing gear – 10 parts water : 1 part AeroWash
